

WOMEN'S MATCH PLAY 2024

Tournament information

Sign up in Ladies Locker Room

Sign up Closes on May 15th

- 1) Once we know how many entrants have signed up – the brackets/pairings will be determined.**
- 2) We need a minimum of 16 participants.**
- 3) You will arrange your match with your opponent. It is expected that your first match will be played within two weeks of the bracket(s) being posted. Subsequent matches should be played within a reasonable timeframe.**
- 4) The Pro Shop will prepare the scorecards. When scheduling your tee time for your match, make sure the Pro Shop knows this is a match play round. Both players should keep score. Check every few holes to make sure you are both in agreement as to the status of the match.**
- 5) Your index/handicap given at the time of your scheduled match will be your lowest index for the prior 12 months from the date of your match. All rounds are played from the Red tees.**
- 6) The entry fee is \$50. Prizes will be paid out based on the number of entrants.**
- 7) You do not need to ride/share a cart with your opponent. And you do not need to play the round with another twosome. Both of these things are up to you and your opponent.**
- 8) Remember you are allowed to concede a hole to your opponent. You do not need to putt everything out.**
- 9) If there are any rules questions while on the course – call the Pro shop immediately.**
- 10) If the match is tied after 18 holes, check in with the Pro Shop first before starting your sudden death play-off.**
- 11) The Pro Shop will post your scores. DO NOT post them yourself. You should however indicate the winner on the poster board bracket in the locker room.**

(Any questions – contact Margaret Feskorn 248-505-0732)
