

# GOWANIE GOLF CLUB 2022

## MEN'S MATCH PLAY TOURNAMENT

### Sign Up In The Pro Shop

- It is open to all Class 1 men members who register for the event with the pro shop. **All golfers registered for the event are required to participate in the qualifying round scheduled for May 7<sup>th</sup>.** The qualifying round will be an 18-hole net score event. The 64 lowest net scores will qualify for the match play bracket. This will be a 9:00 am shotgun start.
- In the event of a tie or ties for the last spots, a sudden death playoff will occur immediately following the 18-hole round beginning on hole 1.
- There will be an optional barbeque on your chit after the May 7<sup>th</sup> qualifier.
- **Golfers unable to play in the qualifier will not be eligible for the match play tournament.**
- The match play bracket will proceed from the qualifier in the usual manner with posted deadlines by which to complete each match. Any matches not completed by their deadline will be decided by a coin flip done in the presence of Paul Prigel.
- **The entry fee is \$40. It applies to all those who play in the qualifier, not just those who make the field of 64.**
- Prizes will be paid out based on the number of entrants. We anticipate awards for the final 16 match play participants, however this will be determined based on total entries.
- In the event May 7<sup>th</sup> is a rainout, the makeup date is May 14<sup>th</sup>. Registrants for the May 7 qualifier who are not able to participate on the makeup date will not be charged an entry fee.
- Presuming the May 7<sup>th</sup> qualifier proceeds on that day, Paul has blocked tee times from 8:00am to 9:30am the following Saturday (May 14<sup>th</sup>) for those who wish to complete their first round matches that day. Participation on the 14<sup>th</sup> is not mandatory. You will actually have until Tuesday, May 31<sup>st</sup> to complete your first match. But it is a fun day when the matches are grouped together.

**Handicaps for this event will be based on each golfers' lowest GHIN index over the past 12 months. For the qualifier on May 7 the handicaps will be based on prior 12-month low GHIN index as of May 1. For the bracketed matches, each participant's handicap will be based on prior 12-month low GHIN index as of the date of the match.**
